CITATION OF SCIENTIFIC PAPERS

Google Scholar citation: 10; H index: 2

BRIEF DESCRIPTION OF RESEARCH IN THE PREVIOUS PERIOD

Theoretical and empirical evaluation of the impact of financial development on key macroeconomic indicators and foreign direct investments; analysis of the effects of technological readiness and innovation on index logistics performance.

BRIEF DESCRIPTION OF PLANNED RESEARCH IN THE NEXT PERIOD

Preparation of a doctoral dissertation related to the impact of financial development on the innovativeness of countries, with the aim of identifying valid normative and positive positions regarding the role that financial development plays in the process of generating innovations, with a primary reference to the economic systems of the countries of the Western Balkans and Central and Eastern Europe.
